To Become Certified through SFFMA, Each Phase attending student must....

- Purchase a copy of the “Essentials of Firefighting” 6th Edition from IFSTA as THE primary resource.
- Understand that each Phase, I – V will encompass certain chapters for it’s respective curriculum.
- Complete the Pre-Course reading assignments and independent studies for each phase
- Complete the post chapter quizzes for each chapter in each phase.
- Successfully complete all 5 phases (I through V) in sequence for proper accountability.
- KNOW THE BOOK FROM COVER TO COVER
- Upon completion of all 5 phases, submit to the SFFMA an application and supporting documentation to take the NFPA 1001 Fire Fighter I and or Fire Fighter II Certification Written Exam at an approved and designated test site.
- Complete the required skills (JPR’s) for certification in Fire Fighter I and Fire Fighter II at a designated and approved test site.

For more information on FAQ's

- Contact us at www.teex.org/esti
- Or call us at 979-845-7641 and ask for Annual Schools

Best of Luck on your quest to become a Certified NFPA 1001 Fire Fighter I and or II through the SFFMA of Texas!
